EDSB Compliance Solutions is a highly successful Fire & Security business and one of the fastest-growing companies in the industry. With a huge increase in clients this year, we're expanding our nationwide team and looking for motivated Engineers, Fire Door Inspectors, Joiners and Technicians to help us continue our journey of success.

Whether you're experienced in the field or newly qualified and ready to grow, we want to hear from you!

EDSB currently have plenty of engineering vacancies across the UK due to our amazing growth and we want to reward professional talent. If this is you, simply email our Careers team at edsbcareers@edsb.co.uk or **CLICK HERE** to fill in a quick contact detail form and a team member will get in touch with you soon.

We've Heard You!

EDSB Engineers have asked why their vehicles can't be like their colleagues' - free from advertising. We've listened!

Going forward, all new Engineers will receive non-branded vehicles and existing ones will be upgraded to sticker-free alternatives. At EDSB, we want our engineers to feel proud and happy with their ride.
