

EDSB'S LIVERPOOL TO LEEDS BIKE RIDE 2025

Cycling to Success

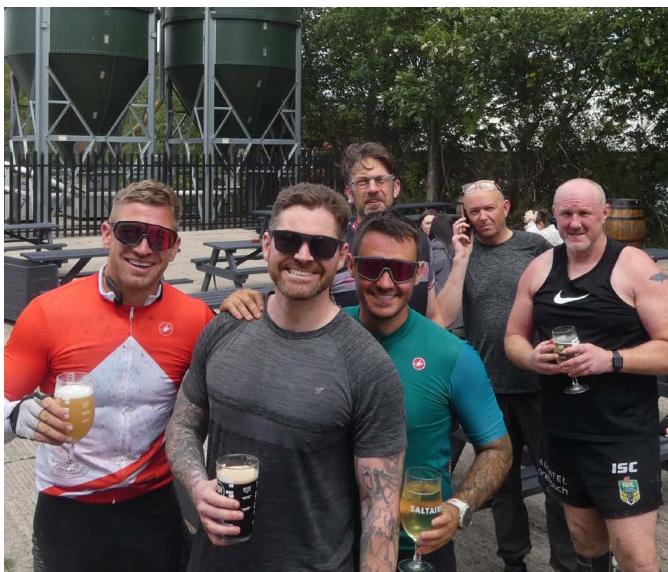

From **Friday, 4th July to Saturday, 5th July**, EDSB hosted our Annual Liverpool to Leeds Bike Ride in support of Prostate Cancer UK. What began as a commitment to raising awareness for men's health & wellbeing, turned into something much greater.

20 employees came together to cycle approximately 125 miles over two days with an overnight stop at Burnley. Despite the rough terrain, the team powered through and encouraged each other every mile of the way.

The ride finished in Rodley, where friends and family gathered to cheer them over the line. The celebration continued at The Owl Inn pub, with fantastic live music from The Raggamuffins and a delicious buffet enjoyed by all!

Over £5,000 Raised - Thank You for Riding With Us!

We originally set out with a fundraising goal of £1,500 and thanks to the incredible support from employees, friends, family and suppliers, we have absolutely smashed this target, **raising over £5,000 for Prostate Cancer UK!**

EDSB's Chairman, Jonathan Parker, would like to thank all riders, the fantastic support team and everybody who has donated. This event has highlighted our OneTeam spirit, as well as the strength and determination of everyone involved.

It's not too late to make a difference. If you would like to support this important cause, please click the link below:
