

# GARFORTH VILLA WHITES U13'S ON TOUR

## Garforth Villa Whites U13's FC

EDSB was proud to sponsor Garforth Villa Whites FC, managed by our own **SHEQ Manager, Neil Anstee** on their exciting football tour to Holland - a memorable experience filled with football, friendship and team spirit. Thanks to EDSB's support, the team was able to travel in style, wearing newly branded kits that boosted their confidence on the pitch.

After a long journey via Dover and Calais, the boys settled in and kicked off their adventure with a group meal and some light-hearted sightseeing in the Dutch capital. SV Rap's professional coach, Kevin, delivered a fun packed 2-hour training on their excellent 3G facility, where the players honed their skills in a fun and engaging environment. That evening, they faced SV Rap JO13-1 in their first friendly. Despite challenging weather, the team put in a spirited performance, narrowly losing 5-3.

Midweek brought a surprise change of plans with a trip to Walibi World theme park, an unexpected highlight enjoyed by players and parents alike. Refreshed and energised, the boys bounced back in style with a stunning **11-2 win** over SV Rap JO13-2, showcasing their talent with some outstanding goals.

The tour wrapped up with some warm hospitality by Kevin and his wife Michelle, sharing food, stories and a special memento of the club's history. The group returned to Leeds and despite all of the travelling, the happy memories of the tour will live with them for a long time.

EDSB is delighted to have played a part in creating some great experiences for Garforth Villa Whites and wish the team continued success both on and off the pitch.
