

EDSB DOUBLES OUR 500 CAN TARGET FOR LEEDS CHARITY!

Making a Difference with Homeless Street Angels

What began as a 500 Can Challenge has grown into something extraordinary. Thanks to the generosity of our employees and suppliers, we have collected **over 1,000 tins** and a wide range of non-perishable items for Homeless Street Angels, doubling our original goal!

**HOMELESS
STREET ANGELS**

Homeless Street Angels is a charity based in Leeds dedicated to providing support and resources. Run by Shelley and her twin Becky, they offer hands-on assistance to those living on the streets, whether this is emotional support or handing out some essential supplies.

EDSB Compliance Solutions is proud to work alongside Homeless Street Angels to support those who are less fortunate and truly make a difference in our local community.

A BIG THANK YOU TO OUR SUPPLIERS!

The 500 Can Challenge has been an incredible success and it would not have been possible without the support of our suppliers. Their generosity and commitment has made a real difference, helping us reach our goal and provide food for those who need it most.
