

# Where Innovation Meets Technology

## Technology that keeps you compliant

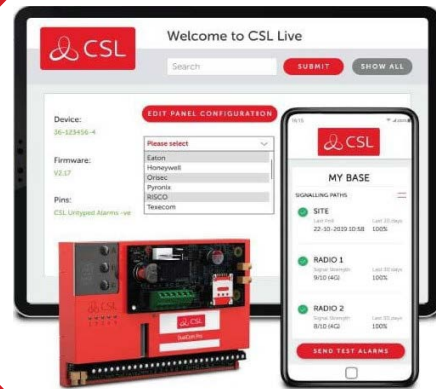

EDSB Compliance Solutions is a technology business dedicated to keeping our clients fully compliant. The **Digi Air** product gives EDSB the flexibility to monitor and maintain compliance around the clock, ensuring your operations run smoothly and without interruptions.

- The Future of Remote System Management, Carbon Friendly meaning less Engineer visits
- Free Digi Airs to all EDSB Clients for all Fire and Security Alarms without signalling
- Conxtd Platform Utilised to Manage Faults Remotely
- Optional Bolt on Innovations such as CLSS, NIMBUS or Desigo
- Proactive Management of your Alarms to Ensure Compliance

If you are an existing Maintenance customer, you do not need to do anything. We will install this at your next Maintenance visit automatically.

If you are not an existing customer but are interested in taking out a Maintenance contract with EDSB, please get in touch at [edsbinfo@edsb.co.uk](mailto:edsbinfo@edsb.co.uk) to take advantage of this offer.
