STREET ANGELS

EDSB'S 1,000 CAN CHALLENGE IS BACK!

Supporting Leeds Charity, Homeless Street Angels

EDSB is proud to launch our **1,000 Can Challenge**, beginning on **Wednesday, 1st July 2026!** Many of you may remember our annual 500 Can Challenge, but this year we're raising the bar to support those in need.

We are once again partnering with Homeless Street Angels, a Leeds charity dedicated to supporting individuals experiencing homelessness. Thanks to your incredible generosity, we collected an amazing **1,289 tins** last year, alongside a wide range of other essential food items. This year, we're hoping to make an even bigger difference and we need your support to help us reach our goal!

HOW TO GET INVOLVED:

Donate Cans

Drop off non-perishable canned food items that are within their sell-by date to the **Marketing Office** at Compliance House, on the ground floor.

Donate Other Essentials

Homeless Street Angels' food bank is also in need of other food items. Donations such as cereals, tea, coffee and similar store cupboard staples are greatly appreciated.

Spread Awareness

Encourage your friends, family & colleagues to get involved and provide any spare tins or food items they may have.

If you're unable to get to our head office, you can drop your items off at any of our regional stores instead. Ensure your donation is packaged and labelled "1,000 Can Challenge" and email edsboneteam@edsb.co.uk to let us know you've dropped it off. The final date for donations is **Friday, 31st July 2026**, so whether you donate a single tin or a full bag of essentials, every contribution counts!

If you have any questions, email edsboneteam@edsb.co.uk and let's come together to make a positive impact!
